

Hello Brainerd Neighbors,

We know things are pretty strange right now. Not being able to go to school or see your friends and neighbors is tough. That's why we've created these fun activities to brighten your day. Making art is a great way to express yourself, take your mind off your worries, or just get lost in your own amazing imagination. These activities were created by artists, Erika Roberts and Brandon Donahue. What's really cool is that your completed activity pages, words, and drawings will inspire a brand new mural on the outside of the Brainerd YFD Center.

ACTIVITY PAGES & INSTRUCTIONS:

WORD SEARCH PUZZLE

Find the hidden words in the puzzle. Which word stood out to you first? Why do you think this word stood out for you? Write a sentence about what this word means to you. Highlight a few words and let them guide your drawing on the next page.

COLORING PAGE

The coloring page is an outline of where the mural will go on the Brainerd YFD Center. The cylinder-shaped space is a great canvas for a mural and its curved shape will make the artwork appear to pop right off the side of the building. Use your imagination to fill in the space and draw images or words that reflect your ideas and your community.

DEADLINE FOR RETURNING YOUR COMPLETED ACTIVITY PAGES: FRIDAY, MAY 29, 2020

Drop them off at the Brainerd YFD Center in the plastic bin outside the front door

Or take a photo of your pages and upload them to our facebook page: **@Brainerd YFD Vision Building for Future Mural**

Or email them to: **air852003@gmail.com**
